Dear Friends,

Every year as I try to find the right words to acknowledge your tremendous generosity, I naturally start wondering about those early years in our Hospital's history—well before my tenure here began—when the community and the Hospital first embarked on this magnificent philanthropic journey together. It's healthy to remember and appreciate from where we came; but this year as I try to express my gratitude, I don't want to look backwards...I want to focus on where we are going and how you are helping us get there.

As a result of your capital gifts over the last several years, which totaled about \$40 million at the close of our campaign efforts, the now-complete Lasko Tower is elevating our patients' experience during their stay. The Lasko Tower was made possible with the help of an extremely generous lead gift from the Lasko Family, with significant gifts coming from so many more wonderful and generous friends of the Hospital. We've always been able to provide great service and quality care, but offering our patients 72 private and modern rooms to recover creates a positive lasting impression. Your gifts have helped make that possible.

With your continued support, we are now renovating all of our existing rooms to be single rooms as well so that all patients can recover in a private setting.

Your gifts support our efforts to introduce more leading-edge technologies in the areas of cancer care, cardiovascular procedures, orthopaedic surgery, maternal-child health and emergency medicine.

We've received philanthropic support from the local community, as we build a comprehensive medical building in the West Grove area, to bring greater access to care for the residents in that part of the county. When completed next year, the building will be known as Penn Medicine Southern Chester County.

As you know, we joined Penn Medicine last year, and we couldn't be more pleased with the health system we chose to be our partner in your care. Together, we are offering our community greater access to more specialists, to new technology and to robust knowledge resources. The Chester County Hospital Foundation continues to be an integral financial supporter of this effort. Gifts made to the Foundation are used exclusively to support Chester County Hospital and its mission to enhance the health and wellbeing of the members of the community it serves.

On behalf of all my colleagues at Chester County Hospital, we are truly grateful for the gifts you have given because they have allowed us to grow into the Hospital we are today. ☺

Warm Regards,

Michael J. Duncan

Dear Friends,

Some years just stand out! Fiscal Year 2014 was one of those for Chester County Hospital. We announced a partnership with Penn Medicine; opened the third and second floors of the Lasko Tower—the orthopaedics floor and the Mother and Baby Pavilion—both of which include the latest in inpatient services, including current technologies and beautiful all-private rooms. In addition, we continued to see our Emergency Department reconfigure to a new highly successful rapid triage method. So many achievements that ensure the advancement of health care in Chester County; all achieved with the help of generous donations from so many community supporters!

Both my wife and I were raised in families that encouraged financial support of the community. That's why I got involved with The Chester County Hospital Foundation. I want to ensure as many residents as possible can take advantage of the excellent care the Hospital delivers. Many of you have had experiences similar to my family—all four of our sons were born at Chester County Hospital; my oldest was treated there for bacterial meningitis—so you understand the importance of having the best medical care close to home.

However, keeping up with the latest in health care to serve a rapidly growing Chester County does require resources. The partnership that began last fall with Penn Medicine brings many benefits to our community, including the resources, knowledge and expertise of one of the top academic health systems in the country. However, it doesn't mean we will no longer need to raise funds for projects and improvements.

Chester County Hospital, like the other hospitals in Penn Medicine, remains a non-profit, charitable organization that must rely on philanthropic support from the community to help provide some portion of the resources needed to continue to fulfill its charitable mission.

The culture of philanthropy that has sustained our Hospital through so many advancements must endure and grow. Rest assured that every dollar donated to Chester County Hospital will exclusively support Chester County Hospital, and will be directed toward ensuring that the latest evidence-based care and advanced technology comes to our community hospital.

I thank you for demonstrating your support of the Hospital in fiscal year 2014, and ask that you continue to make Chester County Hospital a priority in your charitable giving. In addition, I ask for your help in spreading the good word. I am sure you know people who have benefited from the skilled care the Hospital delivers but are not contributors. When the occasion is right, encourage them to become a part of this worthy effort to sustain excellent care locally. ☺

Thanks for your support,

Francis "Franny" H. Abbott, Jr.
Chairman
The Chester County
Hospital Foundation

Chairman's Society

Established to honor past, present and future Board Members, the Chairman's Society recognizes the leadership of individuals who have made cumulative donations to the Foundation totaling \$100,000 or more since 1984.

Boosting Southern Chester County Health Care

BY GAIL GUTERL

SUPPORTING CHESTER COUNTY HOSPITAL'S NEW MEDICAL BUILDING IN SOUTHERN CHESTER COUNTY COMPLEMENTS ONE OF OXFORD AREA FOUNDATION'S GOALS: TO ENHANCE HEALTH CARE ACCESSIBILITY IN THE COMMUNITY.

Since its establishment 10 years ago by John H. Ware, IV, the Oxford Area Foundation has supported numerous non-profit programs to improve the lives of area residents and help Oxford thrive. "For example, we have awarded grants to fund organizations in need, such as local children's programs, community outreach efforts, such as a youth center and a senior citizens center, and health care initiatives," says Nancy Ware Sapp, board president.

The Foundation knew that half of Southern Chester County residents must leave the area to seek medical treatment. So when they were approached by Chester County Hospital to financially support a 72,000-square foot medical building locally, the foundation said "yes," with a \$250,000 grant.

"Realizing that Oxford residents who have to drive 45 minutes to access many Chester County Hospital doctors will be able to get care 15 minutes from their homes was a big plus in our decision to make a gift," Nancy says. "We are very diligent in how we evaluate each organization that comes to us for financial support. The Hospital's proposal fit into our view that everyone deserves to have the best health care they can get."

*"In 2011 my father was very ill and needed surgery; because of the excellent staff in the cardiac care unit at Chester County Hospital, he is alive and well today."
—Nancy Ware Sapp*

The Ware family, descendants of John H. Ware, III, Republican U.S. Congressman from 1970-1975, also made the decision from a personal level. "In 2011 my father was very ill and needed surgery; because of the excellent staff in the cardiac care unit at Chester County Hospital, he is alive and well today," Nancy shares.

Accrediting agencies also have recognized the excellence of Chester County Hospital's cardiac program, which earned the Accreditation for Cardiovascular Excellence; in 2012 its cardiac surgery program received three stars, the highest rating from the Society of Thoracic Surgeons.

The Hospital's new medical building in West Grove—to be known as Penn Medicine Southern Chester County to recognize the Hospital's recent membership in the prestigious University of Pennsylvania Health System—is expected to open in 2015.

The new medical facility is located on 45 acres at the corner of routes 1 and 796 in Penn Township and will attract more than 20 physicians to the area in specialties like radiology, OB/GYN, cardiology, orthopaedics, gastroenterology, ophthalmology, otolaryngology and surgery, as well as an after-hours family care practice, and a laboratory.

Boosting Southern Chester County Health Care Thanks to the Oxford Area Foundation and the Ware Family

(continued from page 5)

“I was asked to be a steward of the Oxford Area Foundation’s money, which I look upon as a great privilege. It is meant to achieve good in the community,” Nancy passionately states. “Being a non-profit organization, it seemed logical to partner with a non-profit hospital for the betterment of Southern Chester County. Our rapidly changing health care is certainly something we are cognizant of and want to ensure our community has options available to them.” ☺

The Hospital’s new medical campus in Jennersville, to be known as Penn Medicine Southern Chester County.

Keeping a Gem in the Community

BY GAIL GUTERL

WHEN DECIDING ON GIVING, ALISON AND ROBERT FANELLI SAID THE HOSPITAL'S ADOPTION OF TECHNOLOGY, CARE PHILOSOPHY, AND COMMUNITY WELLNESS PROGRAMS MADE THE DECISION EASY. THEY SET UP A CHARITABLE GIFT ANNUITY.

Alison and Robert Fanelli's relationship with Chester County Hospital goes back to 1959 when they were students at then West Chester State Teachers College. While a junior, Bob had to rush a classmate to the Hospital emergency room when the fellow thought he was having a heart attack. "I hung around with him for a while and realized how skilled and helpful the medical staff was," says Bob.

He and Alison continued to have a positive experience with Chester County Hospital. In fact, as a salesman for Johnson & Johnson before his retirement, Bob got to know another side of the Hospital—the business end. Through periodic interactions with the Hospital president and others, "I was impressed."

As the Fanellis felt capable of providing greater philanthropic support, besides donating annually to Chester County Hospital, they established a charitable gift annuity with the Hospital. This planned giving strategy involves a donor transferring cash or property to the Hospital in exchange for an immediate income tax deduction and an income stream for life. When the donor dies, the charity retains what remains of the original gift.

"A charitable gift annuity is a win-win," says Bob. "We benefit and the hospital benefits. In fact when I was first introduced to this vehicle as a method of giving, I was

surprised at the tax benefits. We gave appreciated stock to the Hospital Foundation and not only did we get an immediate tax deduction, but we avoided a significant portion of the capital gains tax with the balance deferred. In addition, a substantial portion of the annuity is tax-exempt income."

"A charitable gift annuity is a win-win. We benefit and the hospital benefits. In fact when I was first introduced to this vehicle as a method of giving, I was surprised at the tax benefits. Not only did we get an immediate tax deduction, but we avoided a significant portion of the capital gains tax."
—Robert Fanelli

surprised at the tax benefits. We gave appreciated stock to the Hospital Foundation and not only did we get an immediate tax deduction, but we avoided a significant portion of the capital gains tax with the balance deferred. In addition, a substantial portion of the annuity is tax-exempt income."

The Fanellis, who have volunteered at Chester County Day and at the Hospital's annual cancer bike ride, call the Hospital "a community gem." Alison, a member of the Women's Auxiliary of the Hospital, had their second child at the Hospital, and two years ago, underwent treatment for breast cancer there. "When I was diagnosed with cancer, I was introduced to a nurse navigator who took care of everything for me, my appointments, explaining my care. It made a traumatic situation so much easier." Not long ago, Bob had prostate surgery at the Hospital.

Keeping a Gem in the Community: Alison and Robert Fanelli

(continued from page 9)

While both laughingly say they are now trying to avoid any association with the Hospital as patients, they noticed how often they met staff who have worked there for years. "The longevity of nurses, doctors, and support staff says a lot

about the institution," Bob believes. "The Hospital has always been a community-minded organization," says Alison. "When we were in the process of deciding where we want to give, we realized how lucky we are to have such a great facility

in our area, one that looks after not only the sick but toward wellness through many programs. The partnership is a good move, as is the new Lasko Tower, making it state-of-the-art, modern and convenient. So the decision to include the Hospital in our giving was easy." ☺

Our physicians and staff work hard every day to provide the best care and services to our community. In addition, many of them make annual donations to support the Hospital.

On the pages ahead, you will find quotes from a few of our physicians and employees discussing what it means to them to support the Hospital.

**THOUGHTS FROM AN
EMPLOYEE DONOR:**

“Working for Chester County Hospital has been wonderful. I feel fortunate working in my home town for my home hospital. I see neighbors, friends, and past acquaintances routinely, and am happy to have a role in their care. Making an annual donation helps to support the mission of the Hospital and provide for the needs of the community.”

Matching Gifts Year After Year

BY GAIL GUTERL

LINDA DENARDO BEGAN GIVING TO THE HOSPITAL IN 1989. TODAY, 25 YEARS LATER AND A RETIREE, SHE IS STILL GIVING, MAXIMIZING HER DONATIONS THROUGH A GENEROUS MATCHING-FUND PROGRAM OFFERED BY HER FORMER EMPLOYER.

Linda DeNardo fervently believes quality local health care is important. Years ago, as an employee of Chester County Hospital, she saw how the Hospital functioned from the inside out. She was first hired as a part-time laboratory technologist and then, as a full-time laboratorian, became supervisor of the Hospital's blood bank. "I saw that the CCH lab held itself to the highest standards. I was very proud to work there."

So Linda became an annual donor to the Hospital, starting with a \$26 gift in 1989. She has continued giving for 25 years. "I probably made my first donation as part of the United Way employee giving program," she recalls.

"I loved my job at the Hospital and had no intention of leaving, but my life circumstances changed and I went to work for Wyeth Pharmaceuticals [now Pfizer] in 1995," Linda says. "One company benefit Wyeth offered was to match

"One company benefit Wyeth offered was to match any full-time employee's donation, dollar for dollar. When I heard that I thought: 'Wow, I can double my donation to Chester County Hospital.'" —Linda DeNardo

any full-time employee's donation, dollar for dollar. When I heard that I thought: 'Wow, I can double my donation to Chester County Hospital.'" The company matches any gift at 50% for their retirees; Linda takes full advantage of this company benefit to increase support for the Hospital.

Now in retirement, Linda is continuing her association with the Hospital laboratory in a kind of six degrees of separation. "For 6 years I have volunteered 2 days a week at Community Volunteers in Medicine (known as CVIM) in West Chester," she explains. "Chester County Hospital does lab work for CVIM free of charge for our clients who are uninsured."

Linda's personal experience with medical care at the Hospital has reinforced her quarter century of giving commitment.

"I have been a patient there so many times. The new way of triaging in the emergency room is fabulous."

Her granddaughter was born there in March. "My daughter-in-law received top notch care when she had the baby," Linda says. "She was happy she had chosen Chester County Hospital."

Noting all these interactions, Linda says she is sure that "as long as my retirement income will support it, I plan to keep giving at a similar level." ☺

Capping Society

In honor of the nursing staff and the continuous care they provide, the Capping Society recognizes those who have been dedicated annual benefactors to Chester County Hospital for five or more consecutive years since 1984.

THOUGHTS FROM A PHYSICIAN DONOR:

"It has been an honor to contribute to Chester County Hospital's Annual Fund each year since joining the medical staff in 1998. I really enjoy working at Chester County Hospital and consider my co-workers here like family. I am proud to support our institution and the patients of Chester County."

—Fredric B. Squires, M.D.

Open— Patients Welcome!

THE NEW FOUR-STORY LASKO TOWER OFFERS ALL-PRIVATE ROOMS AND ORTHOPAEDIC, MATERNITY, CARDIAC AND RADIATION ONCOLOGY CARE. BY GAIL GUTERL

T

he brand new four-story Chester County Hospital Lasko Tower is now fully open for business and is getting rave reviews.

The second-floor Mother and Baby Pavilion is humming with families welcoming precious new additions. On

the third-floor Orthopaedic Unit, adult patients who have just undergone joint replacement surgery are resting in their spacious private rooms anticipating a future free of joint pain. The ground floor houses a convenient state-of-the-art Radiation Therapy Suite and the fourth floor Telemetry Unit allows high-tech monitoring of abnormal heart activity using the latest devices. All to provide better patient care while enhancing the hospital stay!

The opening of the Lasko Tower was a progressive event. The Radiation Therapy Suite and Telemetry Unit opened in June 2013. The Orthopaedic Unit welcomed its first patient in January 2014, and the Mother and Baby Pavilion threw open its doors May 9, 2014, just in time for Mother's Day.

Senior Staff and Board Members (above) Back row, left to right: Dr. Rick Donze, Ken Flickinger, Dr. Patrick Brennan, Bill Wood, Paul Huberty Front row, left to right: Angela Coladonato, Kevin O'Brien, Mike Duncan, Garry Scheib, Bob Horne, Paul Brown Doctors (above, next page) Back row, left to right: Dr. Robert Huxster, Dr. Cheston Simmons, Jr., Dr. Richard Ziegler, Dr. Gregory Kirwan Front row, left to right: Dr. Adrienne Townsen, Dr. Todd Michener, Dr. John Benner, IV, Dr. John Manta, Dr. Mark Tantorski

None of this could have been accomplished without the support and generosity of Chester County Hospital benefactors, who can revel in the part they played in earning glowing patient reviews of the new facilities.

While Janet Kennedy's day and a half stay on the new Orthopaedic Unit was brief, her impression of the amenities is vivid. "I knew I was going to be in one of the new rooms after my surgery, but I was still surprised at how nice and spacious it was," Janet remembers. "My husband could have stayed overnight if necessary because there was a convertible sofa in the room. There were electric shades on the windows that I could control remotely."

The Orthopaedic Unit houses private rooms large enough to accommodate physical therapy activities and assistive equipment.

The Orthopaedic Unit houses 24 private rooms large enough to accommodate physical therapy and any equipment—walkers, wheelchairs—necessary to get a patient back on his or her feet.

Besides physical therapy in patient rooms, there is a modern rehabilitation gym that addresses the patient's every need. The gym features tools like stairs, a mock tub and a car simulator. After all, a patient needs to be able to get into a car comfortably to go home!

Open—Patients Welcome!

(continued from page 25)

COCKTAIL RECEPTION FOR BENEFACTORS

24 PRIVATE ROOMS IN THE MOTHER AND BABY PAVILION

One floor down and four months later, the Mother and Baby Pavilion opened on May 5 with a cocktail reception for community benefactors. After greetings from Hospital officials, the 130 guests toured the family friendly secure unit, which is expected to welcome about 2,500 babies a year. Guests saw the 24 private patient rooms, the nesting room (a quiet place where adoptive parents can bond with their new child and receive newborn education), the centrally located well-baby nursery, and the family lounge, which includes a snack and beverage area for family and friends of patients.

“The European style rain shower with water jets along the walls was heavenly after having been in labor.” Thinking back on her four previous experiences, Desiree says a private room “gives you a special time to bond with your child. And for a first-time mom it’s so important because you’re trying to figure out breastfeeding, trying to get some sleep.” Desiree really appreciated the snack bar. “Before, if you had a baby at lunchtime you’d have to send your husband out to get food if it was between meals, so having that little kitchenette is so nice.”

The Mother and Baby Pavilion is expected to welcome **2,500 babies** each year!

Some mothers-to-be got a sneak peek when the Hospital threw a baby shower/open house for them and offered tours of the unit. May 9, the day the unit officially opened, the family of the first baby born was welcomed with flowers, balloons and a photo. On Mother’s Day, Michael Duncan, Hospital President and CEO, presented every new mom on the unit with a bag of goodies, flowers and a memorable tiara.

For West Chester-resident Desiree Cresta, this was her fifth visit to Chester County Hospital to have a baby. Tessa was born May 27 and Desiree says this birth was different from her others. “Having a private room was so wonderful,” she says.

*“Having a private room that allowed me to rest and visit with my family was wonderful.”
—Desiree Cresta, after the birth of her fifth child*

The goal of the new facility was to provide state-of-the-art evidence-based care with the latest technology and comforts. Rave patient reviews validate the goal.

THOUGHTS FROM A
 PHYSICIAN DONOR:

"I support The Chester County Hospital Foundation because our wonderful community hospital embodies all that I value for patients: competence, compassion, and commitment to quality and personalized care. Chester County Hospital is more than a hospital—it is a family. Everyone on staff is important and plays a role in the smooth operation of our hospital. Perry Pepper established this precedence; Mike Duncan is carrying on this tradition. I feel privileged to be a member of the physician staff."

Elizabeth Strode Photo by Rick Davis

ELIZABETH D. STRODE CONTINUES THE LEGACY SHE AND HER HUSBAND, JOSEPH W. STRODE JR., ESTABLISHED BEFORE HIS DEATH IN 2013. NOT ONLY VOLUNTEERING TIME AND REMEMBERING THE HOSPITAL WITH ANNUAL CONTRIBUTIONS, THEY ALSO ESTABLISHED A CHARITABLE REMAINDER TRUST, NAMING THE HOSPITAL AS A BENEFICIARY.

During the last five years of his life, Joe Strode spent a lot of time at Chester County Hospital. Based on the great care he received there, Betty and Joe knew they had made the right decision to provide for the Hospital in their charitable gift planning. Besides giving annually to the 121-year-old not-for-profit health care institution, the couple, married for 60 years, established a charitable remainder trust, naming the Hospital as a beneficiary.

The trust was structured to distribute income annually to Joe and Betty during their joint lives in an amount equal to a fixed percentage of the value of the trust assets, and then upon the death of the surviving spouse, any assets remaining in the trust go to the designated charities. “The Hospital was one of Joe’s top priorities when he set up the trust,” Betty recalls.

“Joe always got the best of care at the Hospital,” says Betty of his treatment for a kidney ailment during his last years. “The staff was wonderful and knowledgeable. When Joe was admitted to the ICU [intensive care unit] the care was amazing. We also noticed that the same people worked there for years, so we knew it was a good place to be when you’re sick.”

In addition to being generous donors to the Hospital, the Strodes also volunteered there in several capacities. Betty manned the Hospital treat cart for many years. And together Betty and Joe—who was a third-generation

“You’ll never know when you need the Hospital. I think it’s one of the most important institutional services in your life. We’re lucky to have such a great facility right here in our community.”
 —Elizabeth D. Strode

partner in Strode’s Sausage & Scrapple, a business his grandfather started in 1876—volunteered as transportation escorts, helping patients to and from their rooms to Radiology. They also pitched in at the May Festival, a popular former annual fundraiser for the Hospital. “I remember when it was a small event at Marshall Square Park,” says Betty. “The children had a great time at the fair with pony rides and a few booths. How it grew—to a three-day event with a gala the night before the festival opened.”

Betty, a native of Plainfield, NJ, has seen so many changes at the Hospital since she married Joe and moved to West Chester in 1952. “I remember when the main Hospital entrance was on the south side of the building,” she reminisces. “The Hospital had wards back then. My son was hospitalized over Christmas holiday for appendicitis in 1962. I was so upset because he was in the Hospital for the holiday.

Continued on page 32

Photo by Rick Davis

THOUGHTS FROM AN EMPLOYEE DONOR:

“I have worked at Chester County Hospital for 10 years. I have seen the great accomplishments and the wonderful work that continues. I believe in the vision and growth of the Hospital. I support the work wholeheartedly—this is why I contribute annually.”
 —Alexander Soutos, Security

1892 Society

Named in recognition of Chester County Hospital's founding year, the 1892 Society honors friends who have provided for future generations of patients. These 1892 Society members have made gift commitments through bequests, life income gift arrangements, or other planned gift options. If you have made such a gift, but are not listed, or if you are interested in joining the 1892 Society, please contact the Foundation Office at 610.431.5108.

Supporting Hospital is a Top Priority: Elizabeth D. Strode

(continued from page 31)

Turns out he knew two other kids on the ward, Santa Claus visited them and he had a ball. He didn't miss home at all."

Betty said she has seen the emergency room change shape and expand services four times now. She has seen the Hospital embrace new technology and medical treatments and pay attention to important details like improved food service and menus. She has seen it go from wards, to semi-private rooms, now moving toward all-private rooms.

"You'll never know when you need the Hospital," says Betty. "I think it's one of the most important institutional services in your life. We're lucky to have such a great facility right here in our community." ☞

Tribute Gifts

Many donors choose to remember a loved one or to honor a family member, friend, physician or care giver by making a donation to The Chester County Hospital Foundation. Listed here are those remembered or honored by a gift in fiscal year 2014.

Thank You, Women's Auxiliary

THE WOMEN'S AUXILIARY TO CHESTER COUNTY HOSPITAL HAS PROVIDED 120 YEARS OF SERVICE TO THE COMMUNITY.

Over our Hospital's history we have earned many honors. In recent years, we have earned the most number of Joint Commission Seals of Approval—an industry standard of excellence—in the state of Pennsylvania. We were named one of the top 50 heart hospitals in the country by Thompson Reuters. Additionally, we earned the top rated hospital that accepts Medicaid in patient satisfaction in the Philadelphia region. But the greatest honor we can earn is the continued support of the community we serve.

One hundred and twenty years ago, women of Chester County came together to support Chester County Hospital with the purpose of extending the interests of the Hospital to all parts of the County and to raise funds for building, furnishing and maintenance. For 120 years they have stayed true to their purpose. They have created and organized great fundraising events that have become synonymous with Chester County living—Chester County Day, the

Dilworthtown Inn Wine Festival, the FORE Health Golf Invitational with Sean O'Hair, and the Polo Cup. They have planned luncheons, bake sales and trips. They run the Women's Auxiliary Gift Shop in the Hospital and the Encore Shop in Kennett. The women raise over \$650,000 annually in support of our community's health.

As we embark on an exciting new chapter in the Hospital's history with a partnership with Penn Medicine, our Auxiliary stands ready for a bright future and the opportunities ahead.

Fighting Cancer on Two Wheels

BY GAIL GUTERL

BILL RONAYNE'S PERSONAL EXPERIENCE WITH PROSTATE CANCER LED HIM TO TWICE SPONSOR THE HOSPITAL'S CHALLENGE FOR CANCER BIKE RIDE.

Patient navigators; support groups; assistance with prescriptions; living expenses; transportation; massage therapy; post-cancer fitness programs; advanced treatment technology; even a wig service—all these are supported with funds raised through the annual Chester County Hospital Challenge for Cancer Bike Ride held in June. Bolstering so many critical services for the Hospital's cancer treatment programs and Neighborhood Hospice, it is no wonder a nine-year survivor of prostate cancer chose to become a major financial backer of the fundraiser two years in a row.

William W. Ronayne, owner of Brandywine Valley Heating and Air Conditioning, Old Fern Hill Road, West Chester, was a lead sponsor in 2013 and then, a presenting sponsor for the 2014 fundraising ride. A cyclist himself, Bill rode in the 30-mile event at the 16th Annual Brandywine Valley Heating & Air Conditioning Chester County Challenge for Cancer June 22. The ride, which begins and ends at the Fern Hill Medical Campus at 915 Old Fern Hill Road, offers a 5-mile family run, as well as 10, 30, 50 and 65-mile bike tours through the county. It has raised more than \$350,000 for the Hospital since its inception.

Sponsoring the bike ride was a natural fit for his company and for him as a cancer survivor, Bill says. "You don't think cancer is going to happen to you. I am so thankful my doctor began regular PSA [prostate-specific antigen] screening when I turned 45, because he could see the numbers slowly going up over a few years.

*"PSA screening and the vigilance and skills of my doctor and urologist saved my life."
—William W. Ronayne*

When the physical exam verified something wasn't right, my doctor sent me to urologist Ken Collins [Kenneth P. Collins, M.D.]. Turns out he is one of the leading prostate urologists on the East Coast." After surgery at Chester County Hospital, Bill is convinced "PSA screening and the vigilance and skills of my doctor and urologist saved my life."

Prior to Bill's sponsorship of the Challenge event, he was approached by Challenge Committee Chair Rick Stevenson "who outlined where the money from this event went, how it helps cancer patients, and how it would be a good fit for my business," Bill remembers. "After all, we are right next door to the start of the race."

Post-race, Bill says he is happy with the exposure his company received. "It was a great event, well organized, with lots of volunteers who put in a lot of time to make things run smoothly." He is considering sponsoring the 2015 event, and after asking questions regarding the Hospital's partnership

with Penn Medicine, was assured by charity race officials and Hospital administrators that "any money raised for the Hospital, remains at Chester County Hospital."

Even before becoming a full-fledged member of Penn Medicine, Chester County Hospital was part of the Penn Cancer Network for many years. "It's a powerful partnership with Penn Medicine that gives doctors here in Chester County access to the latest technology and research related to curing cancer," explains a Hospital spokesperson.

Hospital Volunteers and VolunTEENs

The Hospital welcomes volunteers in nearly every department. The Volunteer Services Department supports hospital operations and patient services by matching adult and teen volunteer interests and strengths with the many opportunities available throughout the Hospital.

Opportunities for volunteering at the Hospital include tasks such as transporting patients in wheelchairs, staffing the information desk, and working in the Gift Shop. During the 2014 Volunteer Appreciation Luncheon, the adult volunteers listed below received recognition pins for achieving volunteer hour milestones.

VolunTEEN Program

The VolunTEEN program, for ages 14 to 18 years old, takes place on Saturday and Sunday mornings. Teens perform a variety of tasks throughout the Hospital, including making beds, filling water pitchers, running errands, and escorting patients. The teens listed below achieved volunteer hour milestones during fiscal year 2014.

9000 HOURS Joan Dubeck	2000 HOURS Phil DiFrancesco Pat Lawn	500 HOURS Allen Arnwine David Dulin Marion Gushurst Bill Jefferis John Kabli Kathy Levine Anne Meade John Meicht Kathy Meicht Dean Rasmussen Shayne Style Rudy Theis Lori Tygielski

Your Philanthropic Support is Important

At Chester County Hospital, “going beyond” is doing more than what is expected for our patients and their families. That is why we provide top-rated care in cardiovascular, oncology, orthopaedic, radiology and women’s health from a team

of physicians and nurses that are leaders in their field. Our level of care goes deeper than the condition and beyond your expectations. We rely on our donors to help us fulfill this mission. Thank you for your support! We hope that we can continue to count on your support and commitment to Chester County Hospital. ☺
