**Chester County Hospital**

Dear Friends,

# HISTORY. CULTURE. PHILANTHROPY.

**A**s I reflect upon the 125th Anniversary of Chester County Hospital it is clear that these three words are the pillars on which this hospital has stood, and grown, over a century and a quarter. Our history, culture, and philanthropy are woven so tightly together that you can't talk about one without citing the impact of the other two. I am grateful for the deeply rooted values of our community and hospital...what a privilege it is for me to serve this extraordinary institution.

The hospital's anniversary provides a great perspective from which to view our most recent completed fiscal year (in 2017). These are exciting times at Chester County Hospital! In November 2016, the opening of our new parking

garage paved the way for the next stages of growth. In early spring 2017, we began the expansion and renovation of The Abramson Cancer Center at Chester County Hospital, adding a new floor with upgraded

amenities to enhance the experience of our patients. The new expansion opened this September, while renovations to the pre-existing cancer care spaces are on-going.

**MICHAEL J. DUNCAN**

*President and CEO of  
Chester County Hospital*

Also, in spring 2017 we broke ground on the largest expansion and renovation project since the 'modern' hospital campus was opened in 1925 (thanks to the generosity of philanthropist Pierre S. du Pont). Our current 'once-in-a-century' expansion project includes 18 new operating rooms, a new 99-room patient tower, and an expanded Emergency Department. When complete, Chester County Hospital will have the facilities to care for our community's health well into the next 100 years.

In FY17, the hospital provided approximately 6.5 million dollars in free/subsidized care for our community. Philanthropic contributions help support this care and the growth of our programs and facilities. From our founding days and the citizens' proclamation, "*It is the duty of Chester County to care for her own,*" our commitment to the well-being of our community remains steadfast and is a key element of our compassionate culture.

Community and corporate support has helped nurture our hospital from a ten-bed dispensary into the leading health care provider in the region. With continued philanthropy and our partners at Penn Medicine, we are launching into the next century of care in Chester County.

The pages of this report celebrate the contributions to the hospital over the past fiscal year (July 1, 2016 through June 30, 2017). On behalf of Chester County Hospital, I am sincerely grateful for the generous support that is so deeply rooted in our community and the history, culture, and philanthropy of this institution. We have exciting years ahead of us and we hope you will continue to support the hospital throughout the journey. ■

Gratefully,

Michael J. Duncan  
President and CEO  
Chester County Hospital

Dear Friends,

**F**or me, as the chairman of The Chester County Hospital Foundation, this 125th anniversary year highlights the deeply rooted philanthropy that makes Chester County, and our hospital, such a wonderful place. As Mike Duncan mentioned, from our founding days local citizens proclaimed *“It is the duty of Chester County to care for her own,”* and those words truly resonated within the community over the last century and a quarter.

Philanthropic dollars have made an impact along every step of the hospital’s journey since 1892. Our community of donors and volunteers, including the The Women’s Auxiliary to Chester County Hospital, has provided critical supplies, funds, and human capital that have been key resources along our journey. In 1894 the first Donation Day was established by the Auxiliary on Tuesday, November 27. From donation days, loyal contributions, corporate sponsorships, estate planning, and special fundraising, our donors and volunteers have been steadfast in their commitment to the hospital and community.

In FY17, the fundraising initiatives supported by generous individuals, corporations, foundations, and The Women’s Auxiliary to Chester County Hospital, raised critical funds to help support the wide variety of hospital services and programs upon which our community relies. In addition, philanthropic support for our facility renovations and expansions means that our extraordinary culture of high quality medicine and service will have a place to flourish. On that note, our Women’s Auxiliary is well on their way to fulfilling their 1.25 million dollar pledge in support of our NICU expansion and renovation which is currently under construction. The Encore Shop, featuring upscale consignments, is a leading fundraiser for the Auxiliary and reopened this fall in a refurbished facility thanks to renovations that began in late FY17. If you haven’t had a chance to shop at Encore lately, you should definitely plan a visit.

**FRANCIS “FRANNY” H. ABBOTT, JR.**  
*Chairman of the Foundation Board*

As we build and grow, I am constantly reminded of how our hospital stands on a foundation built by forward-thinking physicians, innovative nurses, transformative philanthropists, inspirational leaders, committed volunteers and dedicated citizens...many of whom are acknowledged in the pages of this report. I am grateful to work alongside such compassionate and generous community members, as we help support the health and well-being of Chester County. ■

Sincerely,

A handwritten signature in blue ink that reads "Franny H. Abbott, Jr."

Francis “Franny” H. Abbott, Jr.  
Chairman  
The Chester County Hospital Foundation

*Helping the Youngest Members of Our Community*

**C**harles and Donna Carson have strong roots in Pennsylvania. The couple met while attending Pennsylvania State University and eventually moved to Pittsburgh where they raised a family and Charles worked as an engineer in the steel industry. Once their children were grown, the Carsons moved to West Chester to be closer to Donna’s family.

Grateful for the care family members have received at Chester County Hospital on several occasions, Charles and Donna were looking for an impactful way to support health care in their community. “Our strategy for charitable giving emphasizes gifts for specific needs in the local community that are well-defined with real short- and long-term benefits. Chester County Hospital attracted us, as several members of our family received excellent care there, the alliance with Penn Medicine promised a strong future, and the expansion program had specific needs. A timely meeting with members of The Chester County Hospital Foundation helped us identify a specific opportunity within the Neonatal Intensive Care Unit. *(continued on page 14)*

*(continued from page 13)*

The NICU had an urgent need for two Giraffe OmniBeds, used for the management of the frailest newborns, as the hospital expanded its role as a regional neonatal intensive care center. Although our children and grandchildren never needed this level of care, one walk through the NICU would convince anyone of its value. One nurse commented that ‘a giraffe bed really is magical’ and that description helped us understand the type of impact that a gift like this could have. It is so important for babies to be with their families here, near where they live, instead of having to travel ‘into the city’ where the logistics can be overwhelming for a family to navigate.

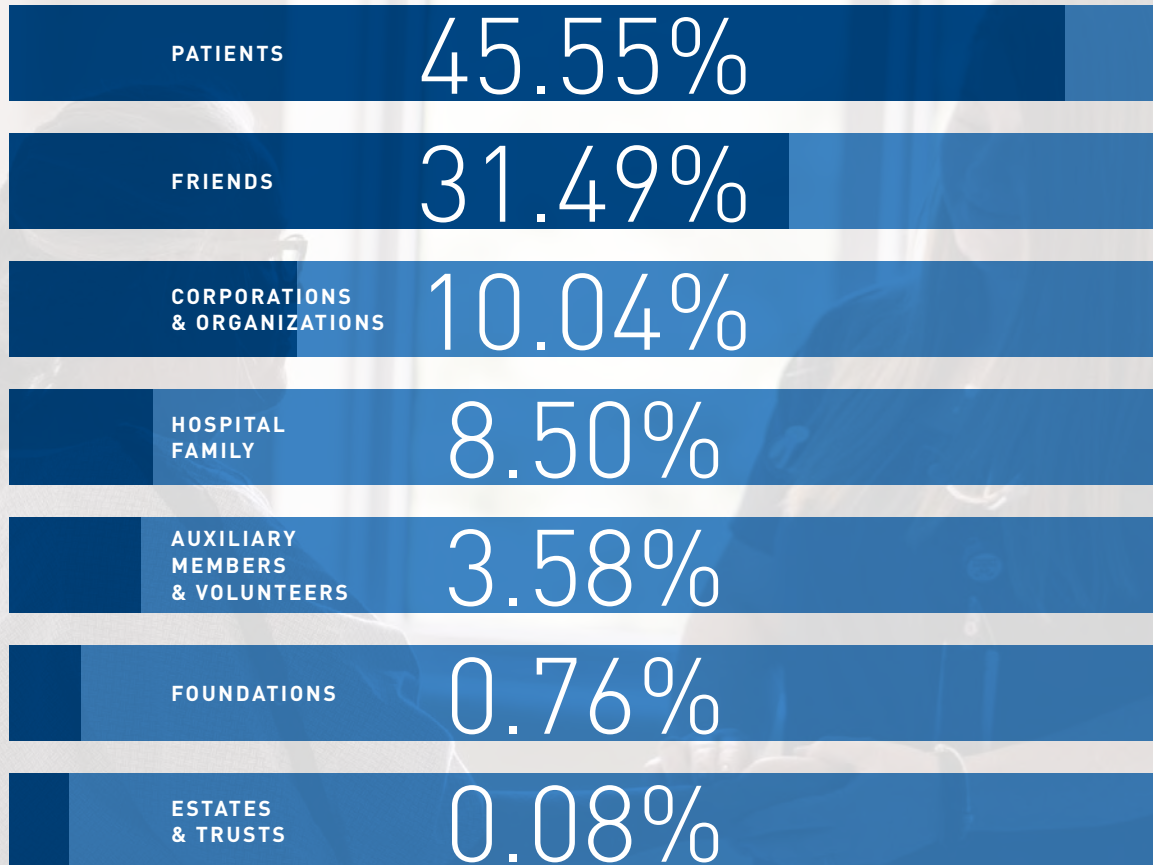

We chose to structure our gift through a direct transfer from an existing retirement account, which was simple, tax efficient, and met the requirement for the annual minimum distribution from the account. It was an easy process to manage—we consulted our financial advisor and the funds were transferred from the manager of the IRA directly to The Chester County Hospital Foundation, requiring no middle man.”

Chester County Hospital is grateful for the Carson’s generosity and support which will benefit the health and well-being of the community and our youngest patients and their families. ■

# THOUGHTS *from a* *grateful* PATIENT

Giving birth at Chester County Hospital for the second (and final) time was such an emotional process for me. I was born in this hospital and had heard stories of the impeccable care my whole life. When I experienced labor and delivery for myself, all the stories I had heard became my own. From the precise care the nurses delivered to the comfort of the rooms, I felt at ease, relaxed and excited to welcome a baby into the world. We support the hospital so that our family, and others, can continue to benefit from the excellent health care programs and services offered.”

\*Deceased

I was recently admitted to the Emergency Department wherein I got my appendix removed. During my stay I received a beautiful heart-shaped, handmade pillow from your wonderful volunteers to mitigate my abdominal pain. I would like to commend them for their selflessness and kindness towards others. One month after surgery, I still cuddle with my pillow. The dedication of the staff and volunteers of Chester County Hospital is highly commendable. Thank you again!”

### — A GRATEFUL PATIENT

# THANK YOU PARTNERS

*Ballinger & LF Driscoll*

**T**he architects and engineers of Ballinger and the builders of LF Driscoll are proud partners of Chester County Hospital. As organizations who have been deeply rooted in the Philadelphia area since the late 1800s and 1929 respectively, both companies share a strong sense of community responsibility—a perfect complement to the mission and values of Chester County Hospital. The hospital has collaborated with Ballinger since 1996 and the current construction project is the second time that we have worked with LF Driscoll. During fiscal year 2017, in honor of the hospital’s 125th Anniversary, both Ballinger and LF Driscoll made generous contributions to the Foundation to help support the hospital’s service to the community. We are grateful for their generosity and the expertise and excellence that they bring to our shared projects. ■

*Renderings of the hospital’s current expansion project include, clockwise from the top: A new front door for the hospital—the gateway to advanced capabilities and amenities, including a new 99-bed patient tower and 18 new operating rooms. An inviting light-filled lobby and panoramic views will greet our patients and guests upon arrival. A new ground floor courtyard which will serve as a verdant extension of the lobby.*

# THE CHESTER COUNTY HOSPITAL FOUNDATION

Planning for an expansion of this size and complexity requires consensus building among multiple stakeholders to answer critical questions. Long before the north entrance doors were sealed on May 12, 2017 (shown above with our partners from LF Driscoll, Ballinger, and Penn Medicine), Chester County Hospital adopted an open-door policy for planning.

For both our firms, working with the hospital is a true pleasure. Its visionary leaders and medical providers serve as stewards to the community, delivering the most advanced care possible. In return for the hospital's commitment to the community's health, it's quite evident that the respect from the community is mutual. Ballinger and LF Driscoll are proud to partner with Chester County Hospital to design and build its hospital campus where innovative design and architectural and engineering excellence are prominently on display."

**—LOUIS MEILINK, JR., AIA, ACHA, ACHE**

*Principal, Ballinger*

**—FRANK "MACK" STULB**

*President, LF Driscoll*

With the help of Ballinger architects, the hospital engaged multiple stakeholders with innovative design techniques throughout the process. As shown below, both 3D models and full scale mock-ups were utilized to test and ensure that the design of the rooms was optimized for the experience of both the medical provider and patient.

# REASONS *for* GIVING

I give to Chester County Hospital as an employee because I am a member of this community and this is where I come for all my medical care. My family, friends, and coworkers are members of this community. I want what is best for all of us. A small donation is the least I can do for my community and the institution that provides care for my family members. Our hospital is a unique place with special people employed here. It is important to me to not only commit my time but also my financial support to our hospital—every little bit helps, even a modest amount per pay period.”

—**SUSAN L. CACCIAVILLANO, BSN, RNC-NIC**

# REASONS *for* GIVING

I support The Chester County Hospital Foundation because our wonderful hospital embodies all that I value for patients: competence, compassion, and commitment to quality and personalized care. This is more than a hospital—it is a family. Every team member is important and plays a role in our collective success and growth. I feel privileged to be a member of the physician staff.”

—DIANNE HOTMER, M.D.

*Chairperson,  
Department of Obstetrics and Gynecology*

# REASONS *for* GIVING

I am confident that when I give to Chester County Hospital, my donations will be used to elevate the patient care delivered for our community. I receive requests for donations from a number of organizations and I choose to give to those which mean the most to me, including my church, colleges I attended and Chester County Hospital.”

—**CARL E. ADKINS, III**  
*Vice President, Ancillary Services*

# 125 YEARS STRONG

*and Building for the Next Century*

we are grateful for the 125 years of support and commitment from our community. Chester County Hospital stands on a foundation built by forward-thinking physicians, innovative nurses, transformative philanthropists, inspirational leaders, dedicated volunteers and many generous citizens. Our deeply rooted history, culture, and philanthropy have molded the hospital into the institution it is today.

Throughout our anniversary year we have shared stories about the amazing individuals, businesses and milestones that are part of the hospital's legacy. They echo in the hearts and minds of our Chester County Hospital family as we all continue to support, cultivate, and steward health care excellence for our community.

This past spring, in the spirit of our founding physicians and citizens, Chester County Hospital broke ground on a once-in-a-century building project. Slated for completion in early 2020, this historic expansion of the hospital is on a scale not seen since Pierre S. du Pont built our current facility in 1925.

*Pierre S. and Alice du Pont set the 1924 cornerstone in place, courtesy of Hagley Museum and Library*

We pride ourselves on our patient-centered health care, and we are doing everything in our power to mitigate any disruption to this important part of our culture and service during this construction project. I am grateful for our committed partners LF Driscoll and Ballinger, and dedicated team members, who are carefully guiding this endeavor along every step of the way.”

—**MICHAEL D. BARBER, MHA**  
*Chief Operating Officer*

Since May 2017, the hospital campus has been in a constant and intricately choreographed state of construction activity. Thoughtful precision has been at work ‘behind-the-scenes’ for years leading up to this point, and continuing every step of the way.

Across the street, The Abramson Cancer Center at Chester County Hospital also broke ground on an expansion in spring 2017. As the overall need for cancer care continues to increase annually, our facilities and programs need to keep pace. In September 2017 we opened an additional floor with upgraded amenities to enhance the experience of our patients. Renovations to the pre-existing cancer care spaces are on-going. When complete, our upgraded facilities and expanded life-saving cancer treatments will allow our patients to spend more time doing what they love and less time navigating their cancer care.

 Penn Medicine CHESTER COUNTY HOSPITAL

These are exciting times at Chester County Hospital. Three years from now, our community, physicians, and team members will have the hospital of our dreams.

For the first time in decades, we won't be constrained by the physical facility. Our extraordinary culture of high quality medicine and service will have a place to flourish. We will be in a position to transition from an excellent hospital to an elite hospital."

**—MICHAEL J. DUNCAN**

*President and Chief Executive Officer*

Philanthropic support provides vital resources for our ability to anticipate, innovate and adapt to the ever-changing health care environment and our community's needs. In addition to the need for expanded cancer services, there is a heightened demand, nationally and in Chester County, for neonatal care. As the first, and still only, Level III Neonatal Intensive Care Unit in the county, Chester County Hospital's NICU provides critical care for the youngest members of our community. In FY17 we raised significant philanthropic funds to set in motion the renovation plans for our NICU.

Currently under construction through late 2018, the re-designed facility with increased space and equipment will serve the growing needs of our youngest patients and their families.

As we continue to navigate this exciting period of growth at Chester County Hospital, we are reminded how tightly the history, culture, and philanthropy of our hospital are woven together in

the story of our health care institution. We are grateful for the support of our wonderful community, and we look forward to the next century of our journey together. ■

# CAPPING SOCIETY

Donors from July 1, 2016–June 30, 2017

In honor of the nursing staff and the compassionate care they provide, the Capping Society celebrates donors who, since 1984, have been annual benefactors to Chester County Hospital for five or more consecutive years.

# WHO'S YOUR HERO?

## *Celebrating Our Health Care Heroes*

**E**ach spring, in the spirit of National Doctors' Day and National Nurses Week, we invite our patients and loyal community of donors to make a gift in recognition of the extraordinary care they have received at Chester County Hospital. We ask them to honor a doctor, nurse, or other staff member as their "Health Care Hero." The responses we receive are heartfelt and grateful—celebrating the care, commitment and compassion that the Chester County Hospital family provides daily for our community.

In fiscal year 2017, approximately 102 Chester County Hospital team members were recognized for providing outstanding care and making a difference in a patient or caregiver's life.

*(continued on page 56)*

We are grateful to have such an outstanding hospital and medical staff so close to where we live. Karen's diagnosis of breast cancer came as a huge shock to us. We were amazed at the speed at which the visits and process took place and were thrilled with the Abramson Cancer Center. We were so grateful to be able to go to the facility in Kennett Square to receive chemotherapy and for doctor's visits. The staff at this site was fantastic and the atmosphere was wonderful for the situation we were in. We would like to name the entire staff at the Kennett Square Abramson Cancer Center as our Health Care Heroes."

**—CURT AND KAREN F.**

I am alive today because of you, Dr. Wenger and Dr. Lewis.  
My family continues to have their husband, father,  
and Pop Pop because of you. I am eternally grateful  
for what you gave them and me.”

—RICHARD Z.

To acknowledge their inspirational commitment to our hospital, The Chester County Hospital Foundation presented each Hero with a commemorative lanyard, ID badge clip, pin, and a copy of the grateful patient note. The Heroes’ reactions in receiving this honor were emotional and humble—a true testament to the special culture of caring that exists at Chester County Hospital.

We are proud of our Chester County Hospital Health Care Heroes who inspire confidence and loyalty in our patients—creating a culture of grateful giving. ■

Jack was in the care of Carol Smith, BSN at the hospital's Cardio/Pulmonary rehab center. We watched how careful Carol and her team were with Jack. It was as if Carol was caring for her own husband or father. We had total confidence in her and at all times, we felt that Jack was in very good hands!"

Thank you, Dr. Rhoads,  
for all that you do to keep  
us healthy, over and over again!  
You provide care with kindness and  
professionalism, and even find a  
way to make surgery a bit of fun.  
We are so very grateful.”

—NATALIE K. AND STEVE B.

I am very grateful to  
Dr. Fukuchi for performing surgery  
that alleviated unbearable pain, on  
several occasions. I would not be  
alive now without his help.”

—VIRGINIA M.

*Disclaimer: To the best of our knowledge,  
this list is accurate and reflects the  
Chester County Hospital team members  
who were named as Health Care  
Heroes by grateful patients in the  
spring of 2017. We apologize if there  
are any inaccuracies or omissions.*

Everyone was a Hero  
when I was in the hospital,  
especially Dan Walsh. I was  
in a beautiful room in Lasko  
tower and Dan made my  
stay so much easier. He was  
always so happy. Dan came  
in on his day off to sit with  
me. He treated me like a  
queen. Dan is exceptional!”

—GLORIA W.

Donors from July 1, 2016–June 30, 2017

In recognition of Chester County Hospital's founding year, the 1892 Society honors partners who have provided for future patient care through planned gifts, such as bequests, life income gift arrangements, or other planned gift options. If you have made such a gift, but are not listed here, or if you are interested in joining the 1892 Society, please contact the Foundation Office at 610.431.5110.

# We Remember *and* Thank Our Dear Friend

## Nancy Moore

**N**ancy Virginia Moore, a lifelong Chester County resident, was born in Paoli in 1931. She was the youngest of six children. The family moved to Marshallton and Nancy graduated from Radnor High School in the class of 1949. She traveled the world in her younger years, visiting many different countries.

Throughout her life, Nancy spent significant time in Maine, where her paternal side of the family has significant roots, particularly the area near Steuben, Maine. Back ‘at home’ in Chester County, she worked at the Brandywine Book Store (which was owned by her brother, H. Dyer Moore III for 12 years) until 1969. In addition, Nancy volunteered at the Women’s Exchange on Church Street in West Chester for many years. The Exchange ‘shop’ is “a charitable organization with the mission to raise funds for local good works.”

Nancy’s involvement with Chester County Hospital was inspired by her mother, Lois Wright Moore. Lois had been a member of the Marshallton Branch of the Women’s Auxiliary. Nancy followed in her footsteps and joined the branch as well. She went on to also become a founding member of the West Chester Evening Branch of the Women’s Auxiliary and actively served as a member of that branch for 54 years. Her mother served as president of the Women’s Auxiliary from 1961 to 1963, as did Nancy from 1971 to 1973.

Nancy was devoted to Chester County Hospital. She was a member of the 1892 Society, a regular annual donor and often made significant capital gifts to hospital campaigns.

She supported the Emergency Department Campaign, helped fund the da Vinci Surgical System, and gave to the Lasko Tower Campaign. Her generous contributions have helped impact over 3,000 surgical patients whose procedures were conducted via the da Vinci robotic surgery program since its inception and countless others who have benefited from the excellent care in the hospital’s expanded Emergency Department and our modern accommodations in the Lasko Tower. Perhaps her greatest impact on the community, however, is the extraordinary bequest Nancy left to the hospital in her Will.

Upon her death in September 2016, Nancy generously left the bulk of her estate to the hospital with an estimated value of \$3.5 million. Her impactful gift was instrumental in the funding of our current expansion and renovation of the Neonatal Intensive Care Unit. Once complete in Fall 2018, the re-designed facility will have increased space and state-of-the-art equipment and amenities to serve the growing needs of our youngest patients and their families.

We are grateful to the Moore family, for modeling philanthropy and community service, and the particular impression they made on Nancy. Nancy’s legacy will live on in the good works of The Women’s Auxiliary to Chester County Hospital and in the generations of Chester County community members who will benefit from the hospital’s dynamic facilities, and excellent patient-centered care. ■

**125**

years ago, The Women's Auxiliary to Chester County Hospital was founded in 1893, just one year after the hospital was chartered. The volunteer group was organized for the purpose of extending the interests of the hospital to all parts of the county and to raise funds for the hospital. Today, with approximately 350 dedicated members, the Women's Auxiliary continues to raise friends and funds for the hospital.

Representing 10 community-centric branches, Women's Auxiliary volunteers work together to present over 25 community events and fundraisers each year. In addition, Auxilians dedicate countless hours to support the Women's Auxiliary Gift Shop (WAGS), located within the hospital, and The Encore Shop in Kennett Square.

DID YOU  
KNOW?

## Women's Auxiliary Gift Shop “WAGS”

Those who are familiar with Chester County Hospital know that WAGS doesn't stand for the happy tails of our Pet Therapy dog volunteers...it stands for the Women's Auxiliary Gift Shop. Hospital team members, patients, visitors, and the Chester County community know that a stop at WAGS is worthwhile. A carefully curated assortment of jewelry, clothing, novelty and seasonal items, greeting cards, children's gifts, fresh flowers, newspapers, magazines, sundries

and more, are available at the gift shop.

In FY2017, Manager Brenda Fairchild, Bookkeeper Julie Seiple, and their team of associates and volunteers,

helped fulfill the retail needs of the hospital community and raised \$145,985 to put towards The Women's Auxiliary pledge of \$1.25 million for the NICU. Thank you to WAGS for all the ways in which it supports our Chester County Hospital community!

In fiscal year 2017, their dedication and energy resulted in \$622,140 raised for worthwhile patient care initiatives at Chester County Hospital.

The breadth and depth of The Women's Auxiliary activities are too vast to capture in a snapshot. Their remarkable support and the community engagement fostered by their efforts are the very fabric of our generous community of patients, friends, neighbors, and area businesses. Chester County Hospital is humbled and grateful for their steadfast partnership and support.

In honor of the hospital's 125th Anniversary (2017) and the Auxiliary's 125th Anniversary (2018) the Auxiliary pledged to raise \$1.25 million for the NICU Renovation (commenced December 2017). At the conclusion of FY2017, the group was well on its way to fulfilling that pledge, with an astounding \$567,083 raised for our youngest patients and their families. ■

# Grand Re-Opening of The Encore Shop

*Thanks to the Kennett Square Branch of The Women's Auxiliary*

The Kennett Square branch of The Women's Auxiliary to Chester County Hospital has been perfecting the art of an encore since 1973...the year in which it's upscale consignment store, The Encore Shop, opened its doors to benefit Chester County Hospital. Ever since, Auxiliary members and Encore staff have worked tirelessly to cultivate a collection of upscale jewelry, men's and women's clothing, accessories, small antiques and glassware...giving these items an opportunity for a 'second act' at their shop located on Baltimore Pike in Kennett Square. In the later part of fiscal year 2017, the boutique underwent extensive renovations to better serve its consignors and customers, and provide a fresh new look to highlight the charm of the historic building. In September 2017, a ribbon-cutting took place to commemorate the shop's grand re-opening. Members of the Kennett Square Auxiliary and their families, along with Encore Shop staff and hospital

leadership toasted the occasion. "I have witnessed the amazing transformation that took place at Encore this summer. It was a long time coming," said The Encore Shop retail manager Christine Hasen. "I am delighted to have played a part in the development of the plans and to witness the progress."

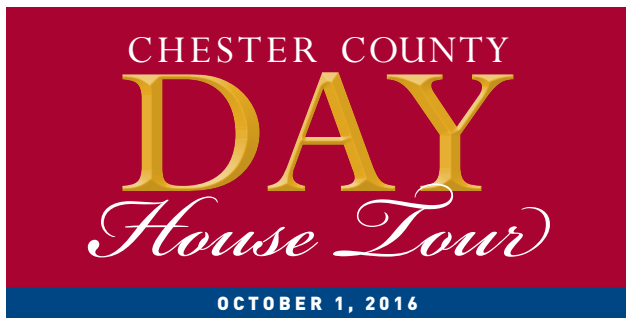

In FY2017, prior to the completion of the recent store renovations, Encore raised \$224,082 towards The Women's Auxiliary pledge of \$1.25 million for the NICU. Thank you to the shop staff and Kennett Square Auxiliary members and volunteers who have made The Encore Shop a meaningful contributor to Chester County Hospital and the community that it serves. ■

## Mary L. Harris Award

The Turks Head Branch of The Women's Auxiliary to Chester County Hospital is proud to present the 2017 Mary L. Harris Award to Mary's husband, David L. Harris. Since Mary's passing, David has continued the work he and Mary began together. We are grateful to Dave for his dedication to the families we serve.

Established in 2015, the Mary L. Harris Award recognizes an individual or organization in our community whose volunteer work and philanthropic support helps to improve the health and wellbeing of children living in Chester County. This award honors the legacy of Mary L. Harris, past President of The Women's Auxiliary to Chester County Hospital, whose dedication in serving the women and children of Chester County led to the creation of the Women's Auxiliary Prenatal Clinic Fund. This award is given annually during the Chester County Hospital Polo Cup.
