**FORE HEALTH  
INVITATIONAL**

Dear Friend,

The FORE Health Committee is thrilled to invite you to participate in the 39th Annual FORE Health Invitational on Monday, May 13, 2024 at White Manor Country Club in Malvern. By supporting the FORE Health Golf Invitational, you will be providing an important source of funding for the NICU and health services for women and children at Chester County Hospital. Your contribution will also support the Women's Auxiliary Breast Health for Life pledge to support the advancement of Breast Health in Chester County.

Chester County Hospital is proud to offer the only Level III NICU certification in the county, as awarded by the Pennsylvania Department of Health. This means that the hospital has in-house neonatology specialists 24-hours-a-day, seven days-a-week. Our top quality neonatal care is enhanced by our unique affiliation with The Children's Hospital of Philadelphia (CHOP), which includes our joint program, CHOP Newborn Care. This innovative program combines the extensive resources of CHOP - a world leader in pediatric and neonatal medicine - with the experience and facilities of Chester County Hospital. We are pleased to offer local access to life-saving and family-centered care, so families can avoid having to travel distances to visit their baby receiving specialized care.

The Women's Auxiliary to Chester County Hospital has always been a leader in caring for our community and the hospital we serve. For more than 130 years our mission has been to support new programs and services to improve the health of our community. As mothers, daughters, sisters and friends we are proud to pledge \$2 million towards the advancement of Breast Health in Chester County.

Together we can make a great impact on the lives of our patients and their families. Thank you in advance for your kind consideration and collaboration regarding our golf outing.

Sincerely,

Claudia Schindler Callahan  
Event and Fundraising Manager
