Lighting the way to excellence in cancer care, *close to home*

*A message from Maria...*

In my household, traditionally, Sundays are reserved for celebrating family! Usually this took place around the dinner table with pasta that we handmade together that morning after church. It's only fitting that 25 years after I founded SHiNE, Nick and I invite our SHiNE family to our home with that family spirit in mind. **Twenty-five years of providing services to patients living with cancer in our community is a great reason to gather!**

We also want to **applaud YOU and express our gratitude** for your unwavering support throughout the years. The essence of family is knowing that we are there for each other. We are never alone. This same spirit is the heart of our mission. Together we can continue to SHiNE!

We look forward to seeing you!

*XO Maria*
